OOO Weekly Newsletter

February 12, 2018

According to 2017 production numbers, Offshore Operators Committee is proud to announce that our membership now represents 99% of the production in the Gulf of Mexico!

All Federal OCS Now Included in OOC!

Following a membership wide vote, bylaws have been updated to include all Federal OCS.

Due to this, we are excited to announce two new Board positions available to Alaska and the Pacific Region operators.

This Year Marks OOC's 70th Anniversary!

June 5 - 7, 2018

Register Now!

We have big plans for this years June General Meeting! You won't want to miss the beautiful venue in the historic and unique city of Austin!

USCG 8th District Commander, Rear Admiral Paul Thomas, will be a Keynote Speaker.

...and many more!

****This Collection is distinct from the HPHT Forum Output Document and Appendices and requires your own created login information, as opposed to a standard password that gets you access to the HPHT resources****

get involved

OOO offers many ad-hoc workgroups to accommodate the needs of the industry. We currently hold meetings for these and many others:

- Subsea Leak Detection & Workgroups
 - Monitoring
 - Training
- SEMS Workgroups
 - Personal Accountability Questions (P.A.Q.'s)
 - Enhancing the JSA process
- Treatment Completions and Workover Fluids JIP
- Well Control Rule
- High Pressure High Temperature

If you are interested in a complete list, or would like more information on how to join, please email angie@offshoreoperators.com.

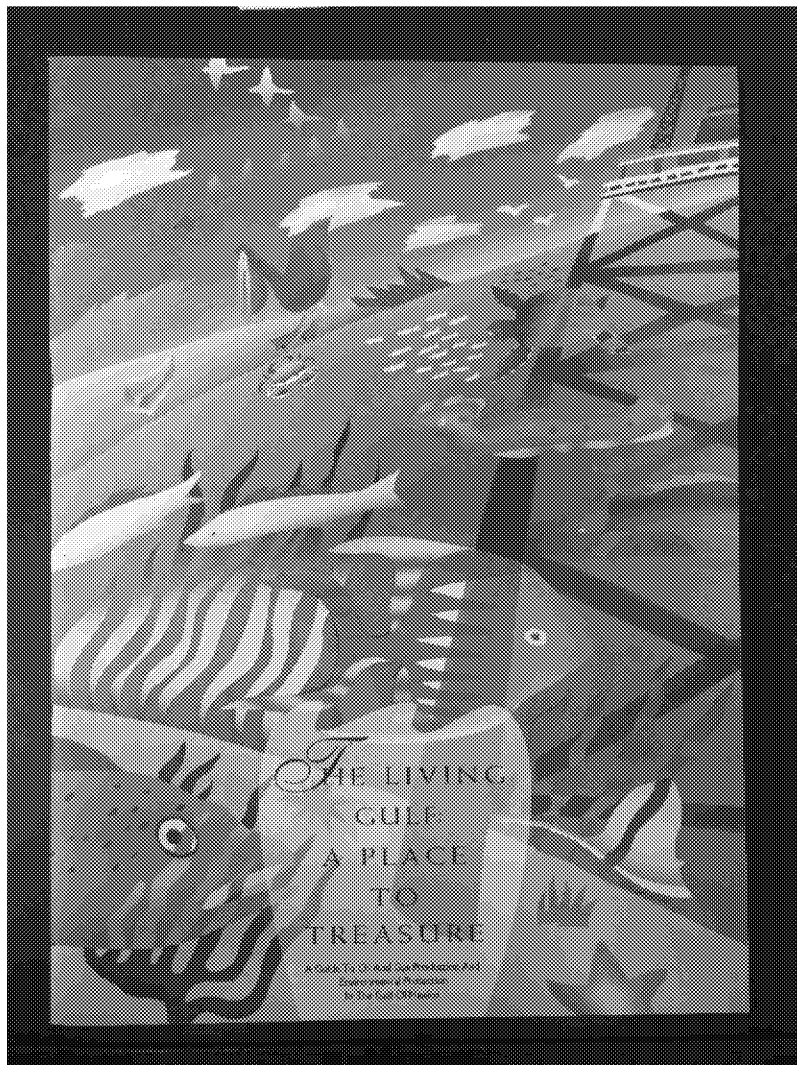

Upcoming Industry Events

- The CBP New Orleans office has announced the scheduling of its Jones Act Training session to be held at the Port of Morgan City Administrative Office/EOC, 7327 Highway 182, Morgan City, LA 70380 on 21 March 2018 from 9 to 11 AM. If interested in attending, please provide the name of your company and number of attendees to jonesact@cbp.dhs.gov. NOTE: Plans to host this same training in Houston at a later date are soon to be made available. Further questions may be directed to Mr. Michael Hebert, Jones Act Division of Enforcement, New Orleans Field Officer at (504) 670-2074, (985) 397-1875 (cell), or jonesact@cbp.dhs.gov.
- IAGC's upcoming 2018 47th Annual Conference, "*Leadership in Innovation, Insight for Energy*", will be held on February 20 at Schlumberger in Houston. See their [website](#) for more information.
- Join the National Ocean Industries Association April 11-13, 2018 for their annual membership meeting at the beautiful Ritz-Carlton in Washington, D.C. They have confirmed and invited leading nationally known experts to speak on important topics impacting the offshore energy industry, including global affairs, politics, energy policy, regulatory issues, accountability, safety and security. There will also be ample opportunity to network with fellow energy professionals and executives during elegant social events and relaxing activities. Find more information [here](#).
- EPA HQ has released it's training dates for netDMR. Please see [HERE](#) for list of available dates.

A Look Back...

We will continue to share a peek at the history of Offshore Operators Committee as we approach our 70th Anniversary in 2018.

Were you there?

Above you will see the cover of "The Living Gulf: A Place to Treasure - a Guide to Oil and Gas Production And Environmental Production in the Gulf of Mexico" published by Offshore Operators Committee in 1989. Were you a participant in the creation of this publication?

If you or your Company has any old photos or documents that you would like to share, please email us at admin@theooc.us

For information on these or any other events, please email us at admin@theooc.us

our Shallow Water Source Control Database and Resource website are currently being updated. If you would like to include your company's information, or know of a company whose services should be included, please contact us at admin@theooc.us

Thank You!
